# VIKRAM'S ENGLISH ACADEMY

Unparalleled !

Yes, the stories that you have heard about us are all true. For years (pre-pandemic), parents would wait in queue from midnight till the next morning for admission. Post pandemic, the Google form tokens are generated and admissions for many of the batches are full in seconds. And this, in the day and age of marketing, is without any advertisement. **Isn't this what real goodwill means ?**

Very rarely do we come across brands that stand the test of time. They, brick by brick, have constructed a giant reputation for themselves. And still continue to do so. Known for our reliability, consistent results, cutting edge technology and rare artistry, we are proud to be counted as one. Due to consistency of passion, purpose and performance. Due to our refusal to give in to the temptation of over expansion. Since the last 10 years, we have been firmly planted only at our two centres. That's where the quality comes from !

**For more than a decade, our name has become synonymous with excellent learning and excellent results. For years we rule both, the charts and the hearts. It isn't an exaggeration to say that we find ourselves in a space of your own. Unparalleled !**

The Science of **LEARNING LANGUAGE** at  
**VIKRAM'S ENGLISH ACADEMY**

Vikram's English Academy is a melting pot of path breaking approaches towards teaching. These include Bloom's Taxonomy, Left-Right Brain Co-ordinated Thinking, Multiple Intelligence Theory of Howard Gardener and Experiential Learning to name a few. All these scientific approaches have proved to be the most effective globally to teach-learn. These have been assimilated and integrated into special modules for ICSE English curriculum which include using music for learning grammar, dramatization techniques for English Drama. Also Lateral Thinking is taught and encouraged, which goes a long way in enhancing the writing skills that would surely give the students an edge in English.

## Testimonials

Even though the syllabus was changed for our batch, Sir and Mam did an **outstanding job preparing notes in a short span of time and explaining the concepts with great clarity**. Our portion was completed well in advance — months before the board exams — giving us ample time to practise for the English Language paper. The keyword tests for Julius Caesar really helped me remember the lines and sequence of the play, and the Grammar Hammer was equally effective.

**Yashica Gosar- 1<sup>st</sup> in English (Average) in Euro School- 99/100 & 2<sup>nd</sup> in Euro (Overall 99.4%)**

The concepts were explained with so much clarity, and **the songs Sir created for grammar topics were surprisingly unforgettable!** Who would've thought those tunes would still be stuck in my head? "There for you" helpline genuinely lived up to its name. Whether it was last-minute doubts or moral support, they were always just a message away. That truly was a lifesaver!

**Gargi Gupta- 1<sup>st</sup> in English (Average) in PPS-B School -99/100**

The way everything was structured, from revision sessions to prelim paper-solving from different schools was very effective. **They didn't just teach; they trained us like warriors for the battlefield** that was the board exam. And the Helpline? Just Wow. I don't think any other coaching place would genuinely have such quick, caring, and patient doubt-solving at all hours. Whether it was late-night panic or last-minute grammar goof-ups, someone was always there.

I am at a complete loss of words because what an incredible journey it was! Something that I will remember forever is the way Sir used to bring Julius Caesar alive for us, the way he made us read between the lines and the depth with which he explained every dialogue and emotion. **We almost believed that Shakespeare was himself in the room narrating his masterpiece to us.**

Vikram Sir and Kripa Ma'am have made something happen for me that **I could not even have dreamt in the wildest of my dreams. I've seen a significant improvement in my language skills, particularly in grammar, vocabulary, and even pronunciation. **Anyone who knows what a 'class' is, will surely be in for a surprise after they join VEA.** After being a student of Vikram Sir and Kripa ma'am for 2 years, I realised that it was a transformation, improving my academics as well as personality. Both are masters of their craft and invoked true love for English in my heart. 'There 4 U' helped me get my doubts cleared even after midnight right before the board exam! I believe that there are no other teachers that do this and I'm so grateful to have had teachers as passionate and reliable as them. Milestone Session inspired 10<sup>th</sup> Grade students to not only face the Board exam, but also life itself. The session changed my outlook on various topics and equipped me with a mental model for facing life in the modern world.

Vikram Sir and Kripa Ma'am are a dynamic duo who taught English not just as a subject to study, but as a language to master — not just for a year's results, but for a lifetime. The past three years have been filled with fun, laughter, and learning. **Sir's musical mnemonics and witty puns, ma'am's jovial and radiant personality, and the abundance of wisdom they both shared are the true 'Treasure Chest' I will cherish forever.**

Learning English with Sir and Mam was more than just preparation for an exam—it was a masterclass in storytelling, expression, and analysis. Their teaching brought clarity, energy, and humour to topics that once seemed daunting. Vikram Sir, with his musical grammar, made even tenses sound entertaining. His grammar sessions were never dry or repetitive—instead, they came alive with relatable examples, catchy tricks, and a good dose of laughter. **And when we explored Julius Caesar, his storytelling made history and drama feel as real and intense as any modern-day thriller.**

**Kripa Ma'am had a way of making short stories and poems actually make sense.** She explained everything so clearly—from the hidden messages in poems to the twist endings in stories—that even the trickiest lines started to click. From debating ideas in class to getting personalized feedback, both of them created a space that was as intellectually stimulating as it was supportive.

Joining VEA was one of the best academic decisions I made. Scoring 98 in English wasn't just about effort — it was about focused, smart, and strategic learning, which this academy truly delivered. Here teaching goes far beyond regular classroom coaching. From musical grammar sessions that made concepts unforgettable, to school prelims paper-solving that prepared us for every possible question style, every aspect was thoughtfully curated. **The MCQ drills, revision marathons, doubt-clearing sessions, keyword tests, and personal feedback after every answer really helped sharpen both my writing and analytical skills.** I'll always be grateful for the dedication, creativity, and heart that this place puts into each student. It played a big role in helping me achieve my dream result.

By the end of the academic year, Vikram Sir's lectures had made a challenging drama like Julius Caesar a breeze for me. He constantly maintained his enthusiasm and interest in the lectures. Because of Kripa Mam's entertaining teaching style, I was very thorough with the proses and poetries from Treasure Chest. **This is the best English class you will ever find!**

**Vedika Bhosle- 1<sup>st</sup> in English (Average) in Vibgyor School- 98/100**

When I joined in 8th, I never thought I could get so emotionally connected to a place. I've always been of the talkative kind but I was the quietest here paying attention to every single word. The keyword tests, the mock papers, the focused MCQ practice, all of it made me feel prepared in a way no textbook ever could. Thank you for teaching me with clarity and care that made me want to listen, not just because I had to, but because I wanted to. **It's really rare to find a place that leaves such a lasting mark, not just on the report card, but on everyone's heart.**

**Avika Pal- 2<sup>nd</sup> in English (Average)- 98/100 & 3<sup>rd</sup> in PPS-B (Overall)**

At the start of the year, when I had a fracture and could barely sit properly I was given a more comfortable chair. They never once made me feel like I was falling behind. That small gesture said everything about the kind of place **VEA is; not just a classroom, but a safe, caring space where students truly matter.** English Grammar used to be one of my weakest subjects but you taught us everything from the very basics & **I went from getting below 65 in Language to getting 98.** I remember there were more than 200 queries from my batch alone ; answered during 'There 4 U' helpline. **You've built something special & I feel lucky to have been a part of it.**
